## Get to Know Me

I am a radiation oncologist who specializes in caring for people with [esophageal cancer](#) , [lung cancer](#) , [rectal cancer](#) , [pancreatic cancer](#) , and other gastrointestinal cancers, including metastases to the liver and other parts of the body at [MSK in Manhattan](#) . I have particular expertise in advanced radiation therapy techniques, such as stereotactic body radiation therapy (SBRT) and brachytherapy.

I have previously served as the director of [MSK's radiation oncology residency training program](#) and currently serve as Vice Chair of the hospital's Graduate Medical Education Committee. My passion for education also extends to my patients. I have more than 17 years of experience as a radiation oncologist.

## **Insurance Information**

Understanding your insurance options is an important part of managing your cancer care. We have relationships with many common healthcare providers and plans.

Don't see your carrier or plan? [We can help you understand your coverage](#) .

If you don't have health insurance or are worried that your care may not be fully covered, our [financial assistance](#) programs may be able to help.

If you have questions about insurance, call us at [646-497-9176](tel:646-497-9176) .

## Clinical Trials

- Clinical Trials Investigated by Dr. Wu
- [A Phase III Study Comparing Proton Therapy to Photon Radiation Therapy for Esophageal Cancer](#)

### Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

## Disclosures

Members of the MSK Community often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community. These activities outside of MSK further our mission, provide productive collaborations, and promote the practical application of scientific discoveries.

MSK requires doctors, faculty members, and leaders to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public. Not all disclosed interests and relationships present conflicts of interest. MSK reviews all disclosed interests and relationships to assess whether a conflict of interest exists and whether formal COI management is needed.

Abraham J. Wu discloses the following relationships and financial interests:

- CivaTech Oncology, Inc.  
Professional Services and Activities (Uncompensated)
- MORE Health, Inc  
Professional Services and Activities
- Nanovi A/S  
Professional Services and Activities
- Simphotek, Inc.  
Equity; Professional Services and Activities (Uncompensated)

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is a complement to other publicly reported data and is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

---

This page and data include information for a specific MSK annual disclosure period (January 1, 2024 through disclosure submission in spring 2025). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#) . For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at [ecoi@mskcc.org](mailto:ecoi@mskcc.org) .
