Get To Know Me

I am a physician who is dedicated to improving the lives of women with gynecologic cancers. I am a board-certified gynecologic oncologist who, for more than 15 years, has used my skills as a surgeon to provide high-quality and compassionate care to women with ovarian, uterine, cervical, and vulvar cancer at Memorial Sloan Kettering Cancer Center.

I have special training and expertise in surgical debulking of ovarian cancer and the use of minimally invasive surgery for the treatment of uterine and cervical cancer. In addition to surgery for gynecologic cancers, I have a special interest in the prevention and treatment of cervical and vulvar dysplasia and carcinoma in situ.
