About Me

What I Do at MSK

- Chief, Leukemia Service
- Director, Program for Drug Development in Leukemia, Division of Hematologic Malignancies

Get To Know Me

I am a hematologist-oncologist who specializes in caring for people with [acute and chronic leukemias](#), [myelodysplastic syndromes](#), and [myeloproliferative neoplasms](#). I am dedicated to providing my patients with the best care tailored to their unique situation. To do this, we work together to develop a personalized treatment plan that takes into account their needs as well as their family's.

I am also an active clinical researcher who develops new and innovative approaches to treating [acute myeloid leukemia \(AML\)](#).

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Eytan M. Stein discloses the following relationships and financial interests:

AbbVie

Professional Services and Activities

AstraZeneca

Professional Services and Activities

Auron Therapeutics, Inc.

Equity

Bristol-Myers Squibb

Professional Services and Activities

Celgene

Professional Services and Activities

Daiichi Sankyo

Professional Services and Activities

Genentech

Professional Services and Activities

Gilead Sciences, Inc.

Professional Services and Activities

Jazz Pharmaceuticals

Professional Services and Activities

Novartis Pharmaceuticals Corporation

Professional Services and Activities

Rigel Pharmaceuticals, Inc.

Professional Services and Activities

Servier

Professional Services and Activities

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure

submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
