About Me

Francesca M. Gany

What I Do at MSK

- Chief, Immigrant Health and Cancer Disparities Service
- Nicholls-Biondi Chair for Community Health Equity

Get To Know Me

Dr. Francesca Gany is the Chief of the Immigrant Health and Cancer Disparities Service at Memorial Sloan Kettering Cancer Center, the Director of the Center for Immigrant Health and Cancer Disparities, and a Director of the community based participatory South Asian Health Initiative.

She works to bridge immigrants, minority community members, and the medically underserved with the healthcare system, and to eliminate health disparities. Her groundbreaking work has led to an improvement in health outcomes and to the development of long-term clinical, health policy, and programmatic changes.

Insurance Information

Understanding your insurance options is an important part of managing your cancer care. We have relationships with many common healthcare providers and plans.

Don't see your carrier or plan? [We can help you understand your coverage.](#)

If you don't have health insurance or are worried that your care may not be fully covered, our [financial assistance](#) programs may be able to help.

If you have questions about insurance, call us at [646-497-9176](tel:646-497-9176).

Make an Appointment

New Patients

Scheduling an appointment is easy. Click or call [800-525-2225](tel:800-525-2225)— we’re available Monday through Friday, 8 a.m. to 6 p.m. (Eastern time)

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Francesca M. Gany discloses the following relationships and financial interests:

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
