## About Me

Howard I. Scher

1/8

## What I Do at MSK

- Head, Biomarker Development Program
- D. Wayne Calloway Chair in Urologic Oncology

## Get To Know Me

I am a board-certified medical oncologist with special expertise in treating men with advanced prostate cancer. I served as Chief of the Genitourinary Oncology Service at the Sidney Kimmel Center for Urologic and Prostate Cancers at Memorial Sloan Kettering Cancer Center for 25 years.

---

This provider is part of a team that was ranked [#1 in the nation for Urology Cancer Care](#) this year by *U.S. News & World Report*.

---

The Genitourinary Oncology Service program is dedicated to the treatment of prostate cancer, testicular cancer, bladder and upper-tract urothelial cancer, and kidney cancer. Our objective is to foster synergy between scientific research and clinical practice, and to ensure that promising scientific discoveries are used to develop new diagnostic tests and treatments for patients.

## Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external

entities. As a commitment to transparency with our community, we make that information available to the public.

Howard I. Scher discloses the following relationships and financial interests:

Bayer Inc.  
Professional Services and Activities

Elucida Oncology  
Intellectual Property Rights

Pfizer, Inc.  
Professional Services and Activities

Regeneron Pharmaceuticals, Inc.  
Professional Services and Activities

Sanofi S.A.

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

---

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.
