Get to Know Me

I am a surgeon who specializes in nerve-sparing [radical prostatectomy](#) for the treatment of [prostate cancer](#) and salvage radical prostatectomy in patients with prostate cancer in whom radiation therapy has failed.

I completed my fellowship in urologic oncology in 1995 and have been in practice since then, devoting the past 15 years exclusively to the care of men with prostate cancer.

This provider is part of a team that was ranked [#1 in the nation for Urology Cancer Care](#) this year by *U.S. News & World Report*.

Disclosures

Members of the MSK Community often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community. These activities outside of MSK further our mission, provide productive collaborations, and promote the practical application of scientific discoveries.

MSK requires doctors, faculty members, and leaders to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public. Not all disclosed interests and relationships present conflicts of interest. MSK reviews all disclosed interests and relationships to assess whether a conflict of interest exists and whether formal COI management is needed.

James A. Eastham discloses the following relationships and financial interests:

- 3D Biopsy
Equity
- Simulated Inanimate Models, LLC
