About Me

What I Do at MSK

- Assistant Attending Physician

Get To Know Me

I am a board-certified medical oncologist who specializes in caring for people with [liver cancer](#), [gallbladder cancer](#), and [bile duct cancer](#), as well as other gastrointestinal cancers. My primary goal is to provide the best possible treatment and individualized care for people with these diseases. I work closely with a team of surgeons, radiation oncologists, and other medical professionals who specialize in the diagnosis and treatment of gastrointestinal cancer.

My Role at MSK

A gastrointestinal (GAS-troh-in-TES-tih-nul) oncologist is a cancer doctor with special training in the gastrointestinal (GI) system. This includes anal, colorectal, esophageal, gastric (stomach), liver, and pancreatic cancers, as well as GI stromal tumors and neuroendocrine tumors.

An early drug development specialist tests new drugs to treat cancer. They have special training in research studies, known as clinical trials.

Areas of Expertise

My Specialties

Gastrointestinal Cancers
Liver Cancer (Hepatocellular Carcinoma)
Bile Duct Cancers (Cholangiocarcinoma)
Gallbladder Cancers
Fibrolamellar Carcinoma
Early Drug Development
Immunotherapy

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

Research and Publications

Publications on PubMed

Visit PubMed for a full listing of Dr. Harding's journal articles. Pubmed is an online index of research papers and other articles from the US National Library of Medicine and the National Institutes of Health.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

James J. Harding discloses the following relationships and financial interests:

Bristol-Myers Squibb

Professional Services and Activities

COR2ED GmbH

Professional Services and Activities

Creative Educational Concepts, Inc.

Professional Services and Activities

Elevar Therapeutics

Professional Services and Activities

Exelixis

Tempus Labs, Inc.

Professional Services and Activities

Zymeworks Inc.

Professional Services and Activities (Uncompensated)

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are

categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK’s COI policies [here](#). For questions regarding MSK’s COI-related policies and procedures, email MSK’s Compliance Office at ecoi@mskcc.org.
