## About Me

### What I Do at MSK

### Get To Know Me

I have worked as an overnight hospitalist and currently serve as an urgent care physician at Memorial Sloan Kettering Cancer Center (MSK).

Since joining MSK in 2008, I have worked on numerous initiatives to improve the institutional climate for LGBT (lesbian, gay, bisexual, and transgender) patients, trainees, and staff. As a member of the LGBT Employee Resource Network, I lead institution-wide safe zone trainings that inform staff of on-site and local LGBT resources. I am also chairperson of Weill Cornell Medical College's LGBT Steering Committee — which coordinates social mixers, mentorship programming, and LGBT-related research —

and am on the executive committee for the annual LGBT Health Workforce Conference held in New York City.

## Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Nelson Sanchez discloses the following relationships and financial interests:
