## About Me

### Get To Know Me

I am a board-certified internist and medical oncologist. I practice at Memorial Sloan Kettering Cancer Center. My goal is to provide patients with the highest-quality medical care using both standard and investigational treatments. I work closely with my colleagues to provide optimal care for patients. Members of our multidisciplinary teams include surgeons, medical and radiation oncologists, oncology nurses, social workers, nutritionists, and lymphedema therapists.

### My Role at MSK

A gynecologic (GY-neh-kuh-LAH-jik) medical oncologist is a cancer doctor who specializes in gynecologic cancers. This includes cervical, fallopian tube, ovarian, uterine (endometrial), vaginal, and vulvar cancers.

## Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Steven M. Sugarman discloses the following relationships and financial interests:

*No disclosures meeting criteria for time period*

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is a complement to other publicly reported data and is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the

various ways relationships and financial interests are categorized by organizations that publish such data.

---

This page and data include information for a specific MSK annual disclosure period (January 1, 2023 through disclosure submission in spring 2024). This data reflects interests that may or may not still exist. This data is updated annually.
