## Get to Know Me

I am a board-certified internist and medical oncologist. I practice at Memorial Sloan Kettering Cancer Center. My goal is to provide patients with the highest-quality medical care using both standard and investigational treatments. I work closely with my colleagues to provide optimal care for patients. Members of our multidisciplinary teams include surgeons, medical and radiation oncologists, oncology nurses, social workers, nutritionists, and lymphedema therapists.

### What I Do at MSK

I'm a gynecologic medical oncologist, which is a cancer doctor who specializes in gynecologic (GY-neh-kuh-LAH-jik) cancers. This includes cervical, fallopian tube, ovarian, uterine (endometrial), vaginal, and vulvar cancers.

## Clinical Trials

### Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial

information and see more about who can participate.

## Disclosures

Members of the MSK Community often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community. These activities outside of MSK further our mission, provide productive collaborations, and promote the practical application of scientific discoveries.

MSK requires doctors, faculty members, and leaders to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public. Not all disclosed interests and relationships present conflicts of interest. MSK reviews all disclosed interests and relationships to assess whether a conflict of interest exists and whether formal COI management is needed.

Steven M. Sugarman discloses the following relationships and financial interests:

*No disclosures meeting criteria for time period*

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is a complement to other publicly reported data and is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

---

This page and data include information for a specific MSK annual disclosure period (January 1, 2024 through disclosure

submission in spring 2025). This data reflects interests that may or may not still exist. This data is updated annually.
