## Why Choose Memorial Sloan Kettering for Your Care

Our team at MSK is united by a singular mission: ending cancer for life. We provide personalized, compassionate, expert cancer care to patients of all ages and from any country.

Our doctors are leading the latest research and clinical trials (research studies), which provides our patients with the newest cancer treatments available. MSK is devoted exclusively to treating cancer, and we have been recognized as one of the world's best and most respected comprehensive cancer centers with specialists and subspecialists who can treat the most common to the most rare cancers.

- *U.S. News & World Report's* Best Hospitals Ranking: New York's top ranked cancer center and recognized as one of the top two cancer hospitals in the U.S. for more than 30 years.
- More Top Cancer Doctors: The recent Best Doctors issue of *New York Magazine* recognized more cancer physicians from Memorial Sloan Kettering Cancer Center than from any other hospital in New York.
- NCI Comprehensive Cancer Center: MSK is one of the first cancer centers in the U.S. to receive the Comprehensive Cancer Center designation from National Cancer Institute (NCI).
