Welcome to the HOPP Summer Student Program at Memorial Sloan Kettering Cancer Center. The HOPP Summer Student Program provides high school students with hands-on experience in laboratory techniques. Students conduct independent research projects and attend enriching training sessions and tours designed to support their interest in the clinical side of translational research and fuel their curiosity for science.

Applications for 2024 HOPP Summer Student Program will open December 4, 2023. Please click [here](#) to apply.
