Charles L. Sawyers, MD

Investigator, Howard Hughes Medical Institute; Marie-Josée and Henry R. Kravis Chair in Human Oncology and Pathogenesis; Chair, Human Oncology and Pathogenesis Program

Dr. Sawyers is an HHMI Investigator searching for molecularly targeted approaches to treat cancer. He has identified cell signaling components critical to the growth of cancer cells in chronic myeloid leukemia, prostate and other cancers, resulting in the development of multiple FDA-approved inhibitors in clinical use today.

[MSK Experts Featured at the AACR Virtual Annual Meeting I](#)

Thousands of oncology experts from around the world will tune in April 27 and 28 for the American Association for Cancer Research's (AACR) virtual annual meeting I. The meeting is the first of two virtual sessions, with clinical trial plenary sessions, clinical trial poster sessions, several minisymposia, and more. The AACR virtual annual meeting II will be held June 22 through 24.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Charles L. Sawyers discloses the following relationships and financial interests:

Arsenal IO Canada Parent, Inc.

Equity; Professional Services and Activities

BeiGene, Ltd.

Equity; Professional Services and Activities

Blueprint Medicines

Equity; Professional Services and Activities

Column Group

Equity; Professional Services and Activities

Diaprost AB

Intellectual Property Rights

Foghorn Therapeutics

Equity; Professional Services and Activities

Housey Pharmaceutical

Equity; Professional Services and Activities

KSQ Therapeutics

Equity; Professional Services and Activities

Nextech Venture, LTD

Equity; Professional Services and Activities

Novartis

Equity; Fiduciary Role / Position

Oric Pharmaceuticals

Equity; Intellectual Property Rights; Professional Services and Activities

PMV Pharma

Equity; Professional Services and Activities

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
