# About Me

## What I Do at MSK

- Founding Director, Caregivers Clinic, Memorial Sloan Kettering Cancer Center

## Get To Know Me

I am a licensed clinical psychologist who specializes in helping patients with cancer and their caregivers. In my clinical work, I use a variety of psychotherapeutic approaches, with an emphasis on cognitive-behavioral and existential therapies. I have expertise in using cognitive-behavioral therapy to mitigate anxiety and depression and to improve overall quality of life in patients with cancer and their caregivers.

# Clinical Trials

Clinical Trials Investigated by Dr. Applebaum

[A Study Assessing a Mobile App to Help People with Traumatic Stress After a Stem Cell Transplant](#)

## Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

## Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Allison J. Applebaum discloses the following relationships and financial interests:

BeiGene, Ltd.

Professional Services and Activities

Blue Note Therapeutics, Inc.

Intellectual Property Rights; Professional Services and Activities

Bristol-Myers Squibb

Professional Services and Activities

CareSpace Health Inc.

Professional Services and Activities

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK’s COI policies [here](#). For questions regarding MSK’s COI-related policies and procedures, email MSK’s Compliance Office at [ecoi@mskcc.org](mailto:ecoi@mskcc.org).
