# About Me

## Get To Know Me

I am a neurologist with special training and a research interest in the prevention, diagnosis, and treatment of stroke in people with cancer. I am the Director of the Stroke Center and an Associate Professor of Neurology and Neuroscience at NewYork-Presbyterian Hospital/Weill Cornell Medical Center, and I am also privileged to be affiliated with Memorial Sloan Kettering's Neurology Service as a clinical researcher and academic scientist.

# Colleagues

Doctors at Memorial Sloan Kettering work as teams, with specialists from all different areas. This allows us to consider all your needs together, and to give you the best possible care.

# Clinical Trials

## Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.
