# About Me

## What I Do at MSK

- Director, Laboratory of Epithelial Cancer Biology
- Co-Director, Multidisciplinary Skin Cancer Management Program

## Get To Know Me

I am a surgeon who specializes in treating [head and neck cancers](#). I have been practicing at Memorial Sloan Kettering Cancer Center (MSK) for more than 25 years, and have performed over 8,000 procedures, including cancer removals and facial reconstructions.

I focus on cancers of the:

- [Mouth](#) ([tongue](#), [floor of mouth](#), and [buccal mucosa](#))
- [Skull base](#)
- [Salivary](#) and [thyroid glands](#)
- [Skin cancers](#) of the head and neck region and [melanomas](#)
- Head and Neck Reconstruction
- Facial Plastic Surgery

In addition to cancer removal, I have expertise in facial plastic surgery and reconstruction. I use facial plastic and reconstructive surgery for all of my patients to optimize the cosmetic results of cancer surgery. Once my team takes on the responsibility of your treatment, we will aggressively pursue all avenues to achieve a cure. The care that I provide effectively treats my patients' cancer while helping them look and feel like themselves after surgery.

## Insurance Information

Understanding your insurance options is an important part of managing your cancer care. We have relationships with many common healthcare providers and plans.

Don't see your carrier or plan? [We can help you understand your coverage.](#)

If you don't have health insurance or are worried that your care may not be fully covered, our [financial assistance](#) programs may be able to help.

If you have questions about insurance, call us at [646-497-9176](tel:646-497-9176).

## Make an Appointment

## New Patients

Scheduling an appointment is easy. Click or call [646-497-9161](tel:646-497-9161)— we're available Monday through Friday, 8 a.m. to 6 p.m. (Eastern time)

[Make an Appointment](#)

## Current Patients

Request an appointment by logging on to MyMSK or calling your doctor's office. If you aren't registered for MyMSK, call [646-227-2593](tel:646-227-2593) for your Enrollment ID.

## Contact and Location

Dr. Singh sees patients at two locations.

### Office Phone

 [212-639-2024](tel:212-639-2024)

## Clinical Trials

Clinical Trials Co-Investigated by Dr. Singh

[A Study to Assess Decreasing Radiation Therapy and Chemotherapy in People with Head and Neck Cancer](#)

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

## Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Bhuvanesh Singh discloses the following relationships and financial interests:

Auricula Hearing, LLC

Fiduciary Role / Position

CinSano

Intellectual Property Rights; Professional Services and Activities

Hearing Forever

Professional Services and Activities (Uncompensated)

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

---

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at [ecoi@mskcc.org](mailto:ecoi@mskcc.org).
