## Get to Know Me

I am a physician who is dedicated to improving the lives of women with gynecologic cancers. I am a board-certified gynecologic oncologist who, for more than 15 years, has used my skills as a surgeon to provide high-quality and compassionate care to women with ovarian, uterine, cervical, and vulvar cancer at Memorial Sloan Kettering Cancer Center.

I have special training and expertise in surgical debulking of ovarian cancer and the use of minimally invasive surgery for the treatment of uterine and cervical cancer. In addition to surgery for gynecologic cancers, I have a special interest in the prevention and treatment of cervical and vulvar dysplasia and carcinoma in situ.

## Disclosures

Members of the MSK Community often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community. These activities outside of MSK further our mission, provide productive collaborations, and promote the practical application of scientific discoveries.

MSK requires doctors, faculty members, and leaders to report ("disclose") the relationships and

financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public. Not all disclosed interests and relationships present conflicts of interest. MSK reviews all disclosed interests and relationships to assess whether a conflict of interest exists and whether formal COI management is needed.

Carol L. Brown discloses the following relationships and financial interests:

- American College of Surgeons  
Fiduciary Role / Position
- American Society of Clinical Oncology (ASCO)  
Professional Services and Activities (Uncompensated)
- Brooklyn College Cancer Center (CommUnity Outreach, Research and Education) BCCC-CURE  
Professional Services and Activities (Uncompensated)
- President's Cancer Panel  
Professional Services and Activities (Uncompensated)
- U.S. Food and Drug Administration (FDA)  
Professional Services and Activities (Uncompensated)

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is a complement to other publicly reported data and is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.
