About Me

What I Do at MSK

- Attending Surgeon
- Vice Chair, Health Information Technology, Department of Surgery

Get To Know Me

I am a plastic surgeon who specializes in reconstruction following cancer surgery. Reconstruction is an essential and important part of recovery. Through the use of implants, rearrangement of local tissue, and transfer of tissue from other parts of the body, I aim to restore not just function but appearance and self-confidence. I perform reconstruction in areas throughout the body but am particularly interested in the breast and head and neck regions.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Evan Matros discloses the following relationships and financial interests:

No disclosures meeting criteria for time period

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
