About Me

What I Do at MSK

- Associate Attending Physician

Get To Know Me

I am a board-certified medical oncologist specializing in the care of patients with lung cancer. As a member of our multidisciplinary team that includes surgeons and radiation oncologists, I am dedicated to providing compassionate care to my patients and creating comprehensive treatment plans that are tailored to their needs and goals.

My Role at MSK

A thoracic oncologist is a cancer doctor with special training in thoracic (thor-A-sik) cancers. These are cancers that have to do with the chest, including lung, tracheal (windpipe), and thymic (thymus) cancers.

An early drug development specialist tests new drugs to treat cancer. They have special training in research studies, known as clinical trials.
