About Me

What I Do at MSK

- Chief, Cellular Therapy Service

Get To Know Me

I am a hematologist-oncologist specializing in the care of patients with leukemia. Along with other colleagues on the Leukemia Service at Memorial Sloan Kettering Cancer Center, I am dedicated to providing the best possible care by treating each patient as if he or she were a member of my own family.

Medical Oncology

Insurance Information

Understanding your insurance options is an important part of managing your cancer care. We have relationships with many common healthcare providers and plans.

Don't see your carrier or plan? [We can help you understand your coverage.](#)

If you don't have health insurance or are worried that your care may not be fully covered, our [financial assistance](#) programs may be able to help.

If you have questions about insurance, call us at [646-497-9176](tel:646-497-9176).

Make an Appointment

New Patients

Scheduling an appointment is easy. Click or call [646-497-9154](tel:646-497-9154)— we're available Monday through Friday, 8 a.m. to 6 p.m. (Eastern time)

[Make an Appointment](#)

Current Patients

Request an appointment by logging on to MyMSK or calling your doctor's office. If you aren't registered for MyMSK, call [646-227-2593](tel:646-227-2593) for your Enrollment ID.

Contact and Location

Dr. Park sees patients at one location.

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care

community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Jae Park discloses the following relationships and financial interests:

Affyimmune Therapeutics, Inc.

Professional Services and Activities

Allogene Therapeutics

Professional Services and Activities

Amgen

Professional Services and Activities

Artiva Biotherapeutics, Inc.

Professional Services and Activities

Autolus Therapeutics

Professional Services and Activities

Be Biopharma, Inc.

Professional Services and Activities

BeiGene, Ltd.

Professional Services and Activities

Bright Pharmaceuticals

Professional Services and Activities

Bristol-Myers Squibb

Professional Services and Activities

Curocell Inc.

Professional Services and Activities

Kite Pharmaceuticals

Professional Services and Activities

Minerva Biotechnologies

Professional Services and Activities

Pfizer, Inc.

Professional Services and Activities

Servier

Professional Services and Activities

Sobi - Swedish Orphan Biovitrum AB

Professional Services and Activities

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are

categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK’s COI policies [here](#). For questions regarding MSK’s COI-related policies and procedures, email MSK’s Compliance Office at ecoi@mskcc.org.
