About Me

What I Do at MSK

- Attending Surgeon

Get To Know Me

I am a board-certified surgeon who specializes in caring for patients with genitourinary cancers, including cancers of the [prostate](#), [kidney](#), [bladder](#), and [adrenal glands](#). I have been practicing at MSK for more than 13 years. My primary focus is on the use and development of innovative minimally invasive surgical techniques — such as laparoscopy, robot-assisted laparoscopy, and image-guided therapies — to treat genitourinary cancers.

This provider is part of a team that was ranked [#1 in the nation for Urology Cancer Care](#) this year by *U.S. News & World Report*.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Karim A. Touijer discloses the following relationships and financial interests:

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
