About Me

What I Do at MSK

- Clinical Director, Genitourinary Medical Oncology Service

Get To Know Me

I am a medical oncologist who cares for people with genitourinary cancer. I focus on the management of advanced [cancers of the kidney](#).

This provider is part of a team that was ranked [#1 in the nation for Urology Cancer Care](#) this year by *U.S. News & World Report*.

I am a strong believer in patient education, shared decision-making, and the importance of recognizing that these cancers and therapies can have a tremendous impact on the day-to-day lives of patients and their families. I work as part of an expert team of surgeons, pathologists, radiation oncologists, and medical oncologists at Memorial Sloan Kettering Cancer Center (MSK). We collaborate to provide the best possible care to our patients.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Martin H. Voss discloses the following relationships and financial interests:
