About Me

What I Do at MSK

- Chief, Melanoma Service
- Co-Director, Melanoma Disease Management Team

Get To Know Me

I am the Chief of the Melanoma Service at Memorial Sloan Kettering Cancer Center (MSK), where my practice is devoted solely to the care of people with [melanoma](#). It is my privilege to lead an outstanding group of medical oncologists, nurses, and researchers with world-leading expertise in the treatment and management of melanoma.

Many FDA-approved therapies for patients with melanoma were developed by our team, including the combination of nivolumab (Opdivo®) and ipilimumab (Yervoy®). The regimen has since been recognized as a [major scientific advance in melanoma](#) by The American Society of Clinical Oncology.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Michael A. Postow discloses the following relationships and financial interests:

Bristol-Myers Squibb

Professional Services and Activities

Cancer Expert Now, Inc.

Professional Services and Activities

Chugai Pharmaceuticals

Professional Services and Activities

Intellisphere, LLC

Professional Services and Activities

MJH Associates

Professional Services and Activities

Merck & Co Inc.

Professional Services and Activities

Nektar Therapeutics

Professional Services and Activities

Pfizer, Inc.

Professional Services and Activities

Physicians' Education Resource

Professional Services and Activities

UptoDate

Intellectual Property Rights

WebMD

Professional Services and Activities

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
