About Me

What I Do at MSK

- Associate Attending Physician

Get To Know Me

I am a medical oncologist with a focus on [breast cancer](#) and women's health. I see patients at Memorial Sloan Kettering Cancer Center (MSK) in [Basking Ridge, New Jersey](#), where I work with an experienced team of specialists that includes surgeons, radiation oncologists, and medical oncologists. As in all of MSK's regional locations, patients receive the highest-quality, coordinated care closer to home, minimizing the need for them to travel into Manhattan.

I provide patients with state-of-the-art, compassionate care to help them through this difficult period in their lives. From the first appointment, I strive to help my patients feel more comfortable and at peace with their diagnosis, knowing that they are not alone on this journey. They understand early on that this is a team effort and that I am on their team.

Clinical Trials

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Mila Gorsky discloses the following relationships and financial interests:

No disclosures meeting criteria for time period

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
