About Me

What I Do at MSK

- Chief, Pulmonary Service

Get To Know Me

Interventional pulmonology is a relatively new and rapidly growing field. As one of a few fully trained interventional pulmonologists in the world, I feel fortunate to have been part of the development of this field and to have published articles on techniques never before performed. I am board certified in internal medicine, pulmonary medicine, and critical care medicine.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Mohit Chawla discloses the following relationships and financial interests:

Intuitive Surgical Inc.

Professional Services and Activities (Uncompensated)

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
