About Me

What I Do at MSK

- Director, Nuclear Medicine Pediatrics

Get To Know Me

I am a clinician-scientist who is board certified in nuclear medicine and nuclear cardiology. I have more than two decades of broad experience in clinical nuclear medicine and related research. I am the Clinical Director of the Center for Radioimmunotargeted Imaging and Theranostics of the [Ludwig Center for Cancer immunotherapy](#).

I joined Memorial Sloan Kettering Cancer Center (MSK) in 2000. Before coming to MSK, I was head of the nuclear medicine department at a cancer center in India. At MSK, I work closely with medical oncologists and surgeons to provide conventional and novel methods of diagnosing and treating patients with radiolabeled agents in a variety of malignancies. I have a special interest in treating pediatric cancers.

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Neeta Pandit-Taskar discloses the following relationships and financial interests:

Actinium

Professional Services and Activities (Uncompensated)

Fusion Pharmaceuticals Inc.

Professional Services and Activities (Uncompensated)

Illumina

Professional Services and Activities (Uncompensated)

ImaginAb

Professional Services and Activities (Uncompensated)

Progenics

Professional Services and Activities

Y-mAbs Therapeutics, Inc.

Professional Services and Activities (Uncompensated)

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
