About Me

What I Do at MSK

- Section Head, Kidney Cancer, Genitourinary Oncology Service
- Jack and Dorothy Byrne Chair in Clinical Oncology

Get To Know Me

I am a medical oncologist who is dedicated to improving the lives of people with genitourinary cancer. My primary area of expertise is kidney cancer (renal cell carcinoma). In particular, I care for people who have cancer that has spread to other parts of the body or who are at high risk for cancer spreading.

> This provider is part of a team that was ranked #1 in the nation for Urology Cancer Care this year by *U.S. News & World Report*.

For more than 30 years, I have provided high-quality and compassionate care for MSK patients with kidney cancer and other advanced genitourinary cancers. As Kidney Cancer Section Head, I lead a group of experts who are dedicated to researching and treating this disease.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health

care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Robert J. Motzer discloses the following relationships and financial interests:

If you’re a patient at MSK and would like more information about your doctor’s external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK’s COI policies here. For questions regarding MSK’s COI-related policies and procedures, email MSK’s

Compliance Office at ecoi@mskcc.org.
