About Me

What I Do at MSK

- Associate Attending Physician

Get To Know Me

I am a medical oncologist specializing in the care of [soft tissue sarcomas](#) and [bone sarcomas](#), as well as [Merkel cell carcinoma](#).

I work very closely with our multidisciplinary team of medical oncologists, surgeons, radiation oncologists, nurses, and patient support advocates to provide the best care and treatment for patients with these rare diseases. Our highly specialized team recognizes and appreciates the unique challenges that confront our patients, and we are all committed to addressing their needs. I partner with my patients and empower them while ensuring that they always get optimal care.

My Role at MSK

A sarcoma oncologist is a cancer doctor with special training in sarcoma. This includes soft tissue sarcomas (such as Ewing sarcoma and rhabdomyosarcoma) and benign (not cancer) growths that are like sarcoma.

A cellular therapy specialist is a doctor with special training in using cell therapies to treat health conditions such as cancer. Therapies can include chimeric antigen receptor (CAR) T cell therapy.

Areas of Expertise

My Specialties

Sarcomas of Soft Tissue and Bone

Merkel Cell Carcinoma

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Sandra P. D'Angelo discloses the following relationships and financial interests:

Aadi Bioscience, Inc.

Professional Services and Activities

Adaptimmune

Professional Services and Activities

GI Innovation Inc.

Professional Services and Activities

GlaxoSmithKline

Professional Services and Activities

Pfizer, Inc.

Professional Services and Activities

Servier

Professional Services and Activities

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies [here](#). For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
