About Me

What I Do at MSK

- Section Head, Endometrial Cancer Program
- Director, Hematology-Medical Oncology Fellowship Training Program
- Associate Attending Physician

Get To Know Me

I am a medical oncologist who focuses on the medical treatment of gynecologic cancers. I also have a research interest in developing improved therapies for endometrial cancer.

My Role at MSK

A gynecologic (GY-neh-kuh-LAH-jik) oncologist is a cancer doctor with special training in the gynecologic system. This includes cervical, fallopian tube, ovarian, uterine, vaginal, and vulvar cancers.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Vicky Makker discloses the following relationships and financial interests:

ArQule
