About Me

What I Do at MSK

- Clinical Psychologist

Get To Know Me

I am a licensed clinical psychologist who specializes in helping patients with cancer and their families. As Director of the Bereavement Clinic in our Counseling Center, I focus on assisting people who are coping with the loss of a loved one, and I specialize in helping those whose grief persists over time. I also provide psychological counseling to breast cancer patients using a variety of psychotherapeutic approaches, with an emphasis on cognitive-behavioral and existential therapies.

Clinical Trials

Find a Clinical Trial for You

Memorial Sloan Kettering's doctors and scientists are constantly developing new treatments for cancer. MSK is typically running hundreds of clinical trials at a given time.

You may be able to participate in a clinical trial even if you are new to MSK. Search our online directory to find trial information and see more about who can participate.
