[Give to MSK](#)

I joined Memorial Sloan Kettering as an oncology nurse in 2001 and became a Nurse Leader in 2005. During my years at MSK, I have had the opportunity to help care for thousands of people with cancer, and I continue to help shape and improve our patient care services.

As Director of Nursing for the David H. Koch Center for Cancer Care at Memorial Sloan Kettering Cancer Center, I work directly with medical and administrative staff to plan and oversee the delivery of nursing services to ensure that we provide an outstanding patient experience and excellent clinical outcomes.
