About the Connected Care Program

This video explains what to expect while taking part in the Connected Care Program at MSK.

Please visit www.mskcc.org/pe/about_connected_care to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
