Support Resources for Adolescents and Young Adults

This information lists support resources for people aged 15 to 39 who are getting treatment at Memorial Sloan Kettering (MSK).

MSK Programs

Adolescent and Young Adult (AYA) Program

Our AYA Program helps adolescents and young adults meet the unique challenges young people face during cancer treatment. Working with the primary care team and specialty services, this program offers support with:

- Life outside of cancer treatment
- Fertility and sexual health
- LGBTQ+ resources
- Working, attending school, or both during cancer treatment
- Financial and insurance support
- Mental health resources and counseling
- Tips for management of treatment side effects

For more information about the AYA Program, email ayaprogram@mskcc.org or call 646-608-8336.

Teen and Young Adult Program at MSK (TYA @ MSK)

[TYA @ MSK](#) is a community for MSK patients aged 16 to 30. It offers opportunities to connect with people in this age group, join social activities, and access helpful resources. TYA @ MSK programs include:

- **Virtual Programming** lets you connect with your peers, chat, and enjoy activities together. Activities may include arts and crafts, comedy shows, yoga, trivia and game nights, and much more.
- **The Lounge App** is a social media platform for patients aged 18 to 30. It can help you connect to other patients around your age, find or suggest events at MSK or elsewhere, share experiences, ask questions, and get answers from experts. You can download The Lounge at MSK app in the App Store or on Google Play. Email tyaprogram@mskcc.org for a unique access code.
- **Peer-2-Peer** is a program that puts you in touch with peers who have completed treatment.

For more information about TYA @ MSK, email tyaprogram@mskcc.org or call 212-639-8925.

Young Adult Support Group

Our Young Adult Support Group is an online support group for young adults (ages 21 to 39) who are in active treatment at MSK. A social worker leads discussions about the unique patient experiences of young adults. For more information or to register, visit www.mskcc.org/event/young-adult-group or email virtualprograms@mskcc.org

Navigating Your Care as a Young Adult Patient: An Orientation

This is an online program for young adults between the ages of 18 and 49 who are in active treatment at MSK. We talk about the emotional and practical issues that young adults may face as they adjust to a cancer diagnosis. This program gives information about resources and support services available at MSK. We welcome caregivers to join us. For more information, visit www.mskcc.org/event/navigating-your-care-young-adult-patient-orientation
