Pounded Yam

Makes 6 servings.

- Prep time: 15 minutes
- Cook time: 20 minutes
- Total time: 35 minutes

Ingredients

- 3 pounds African yams (about 3 to 4 large yams)
- Water

Instructions

1. Peel the yams and cut them into chunks.
2. Place the yams in a large pot with water over high heat. Bring to a boil and

cook for about 30 minutes until fork tender. Check every 10 minutes.

3. Place the boiled yams in a food processor. Blend by pulsing until you have a smooth dough consistency. Add some of the cooking water if needed for a smoother texture. The mixture should be stretchy and soft.
4. If you don't have a food processor, you can mash the yams using a large mortar and pestle or a hand masher. Mash them until they are a smooth and uniform texture.
5. Scoop about 1 to 2 cups of the mixture into a bowl. Take the bowl with both hands and move it in circles. This motion will move the yam mixture around the bowl, creating a perfect round portion of pounded yam.
6. Serve with your favorite soup or stew.
