# Caregiver Event: Caregiving Through the Holidays

## November is National Caregivers Month!

The role of the caregiver is a complex one and the challenges facing the caregiver often go unrecognized. This is true more than ever during the COVID-19 pandemic. MSK wants to recognize and honor your support to those you care for. Please join us in recognizing YOUR hard work at any of our events!

## Caregiving Through the Holidays

A panel discussion on caregiving and coping through the holidays, presented by members of the Patient and Family Advisory Council for Quality (PFACQ) and the Social Work R.E.A.C.H. for Caregivers program.

## Audience

This online program is for caregivers of MSK patients.
