Caregiver Event: Caregiving Through the Holidays

November is National Caregivers Month!

The role of the caregiver is a complex one and the challenges facing the caregiver often go unrecognized. This is true more than ever during the COVID-19 pandemic. MSK wants to recognize and honor your support to those you care for. Please join us in recognizing YOUR hard work at any of our events!

Caregiving Through the Holidays

A panel discussion on caregiving and coping through the holidays, presented by members of the Patient and Family Advisory Council for Quality (PFACQ) and the Social Work R.E.A.C.H. for Caregivers program.

Audience

This online program is for caregivers of MSK patients.
