Finding Our Way: A Discussion of Spirituality and Survivorship

The cancer experience can leave survivors and those close to them questioning their spiritual beliefs, redefining them or having a more intense connection with their own belief system. Join in a discussion about how this profound experience can impact one's spiritual self. This is a group for people who have completed treatment for cancer.

This group is co-led by an oncology social worker and chaplain. It takes place from 5:30 PM to 7:00 PM.
