How to ask for an interpreter

The telemedicine appointment page is available in Spanish, Russian, and Simplified Chinese. On the top right of your screen, select the language symbol to choose one of the available options to translate the page.

Language

If you would like an interpreter to join your call, ask an office coordinator or care coordinator.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
