How to Change Your Urinary (Foley) Catheter Drainage Bag

This video demonstrates how to change your urinary (Foley) catheter drainage bag, a plastic bag that collects your urine. The video describes the supplies you will need to clean and change your bag. It also shows how to attach it firmly to your leg with a Cath-Secure® device. Please refer to the printed materials given to you by your nurse for more information about how to care for your Foley catheter drainage bag.

Please visit www.mskcc.org/cancer-care/patient-education/video/how-change-your-foley-catheter-drainage-bag to watch this video.

If you have any questions, contact a member of your care team directly. If you're a patient at MSK and you need to reach a provider after 5 p.m., during the weekend, or on a holiday, call 212-639-2000.
