How To Install the OMRON Silver BP5250

1. Download the OMRON Connect app from the iOS or Google Play store (see Figure 1).

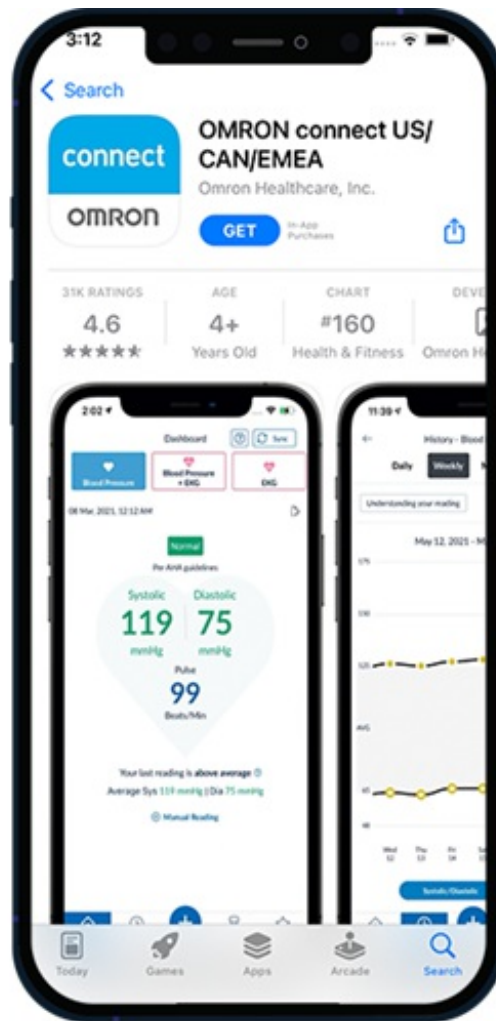

Figure 1. Google Play Store

2. Open the app and select “OK” when prompted to connect to Bluetooth (see Figure 2).

Figure 2. Connect to Bluetooth

3. Select “United States” (see Figure 3).

Figure 3. Select "United States"

4. Sign into your OMRON account or sign up if you do not have one (see Figures 4 and 5).

5. Select “All OMRON Blood Pressure devices” (see Figure 6).

Figure 6. Select “All OMRON Blood Pressure devices”

6. Press and hold the Bluetooth button on your blood pressure machine for 3 to 5 seconds. The letter “P” will appear on your blood pressure machine screen. Select “Next: Begin Pairing” in the OMRON Connect app (see Figure 7).

Figure 7. Select “Next: Begin Pairing”

7. Select “OK” (see Figure 8).

Figure 8. Select “OK”

8. Select “Allow While Using App” (see Figure 9).

Figure 9. Select “Allow While Using App”

9. The device will begin pairing your phone (see Figure 10).

Figure 10. Device pairing to your phone

10. Select “Silver – BP5250” (see Figure 11).

Figure 11. Select “Silver – BP5250”

11. Select “Pair” (see Figure 12).

Figure 12. Select “Pair”

12. Your OMRON Silver BP5250 has now been connected to your app. Select “Go to dashboard” to take your first reading (see Figure 13).

Figure 13. Select “Go to dashboard”

Connecting Your Account to MyMSK

1. Open the MyMSK mobile app and log in (Figure 14).

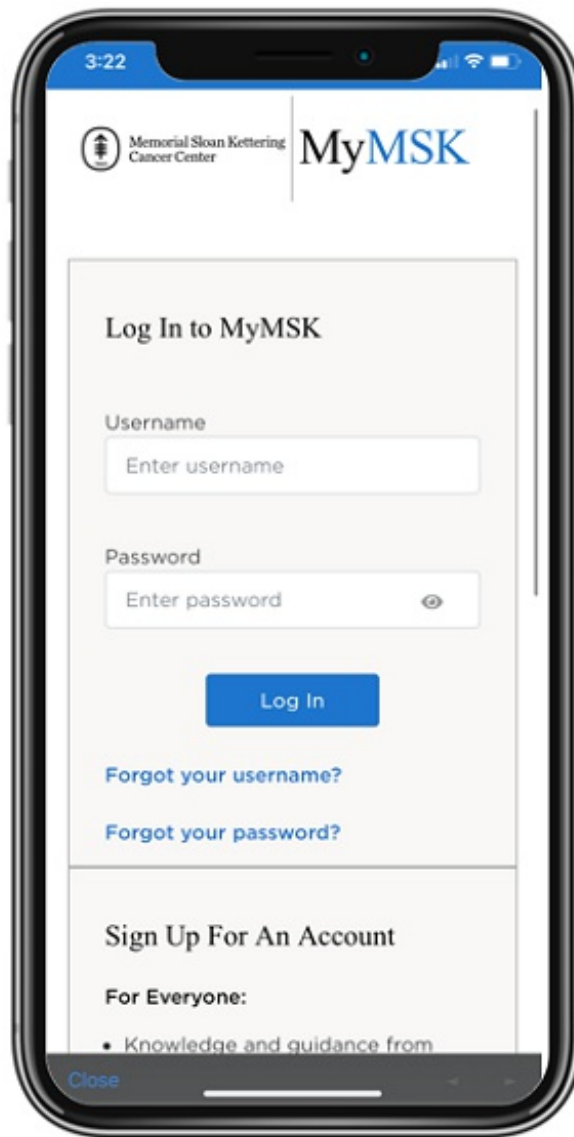

Figure 14. MyMSK mobile app Log in screen

2. Read the emergency notification. Press the “x” at the top right to close the screen (see Figure 15).

Figure 15. The emergency notification screen

3. At the bottom of the screen, select "Messages" (see Figure 16).

Figure 16. The menu at the bottom shows Messages

4. Select the message “MSK Device Connection” (see Figure 17).

Figure 17. The device connection screen

5. Select the link for OMRON account (Figure 18).

Figure 18. Screen with link

6. Log in to your account (see Figure 19). Select “Allow this app” to connect to Validic (see Figure 20). Your blood pressure measurements will be sent to your MSK care team through Validic.
