How to Manage Nausea During Chemotherapy

This video will explain why you might get nauseous during chemotherapy, what you can do to prevent it, and when you should call your healthcare provider.

Please visit www.mskcc.org/pe/chemo_nausea to watch this video.

If you have any questions, contact a member of your healthcare team directly. If you're a patient at MSK and you need to reach a provider after 5:00 PM, during the weekend, or on a holiday, call 212-639-2000.
