HPN (Home Parenteral Nutrition) Complication Chart

This information from the Oley foundation explains the complications that you may have with home parenteral nutrition and what you should do if they occur.

Visit msk.org/pe/hpn-chart to see this resource.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
