Visitor Policy Changes During COVID-19

Limiting the number of people in our buildings is one way we're keeping our patients and staff safe during the COVID-19 pandemic. We may change our visitor policy more often than usual. Visit www.mskcc.org/visit for the most up-to-date information.

We understand how important it is to be with your loved one before and after their surgery or procedure. Thank you for your understanding as we do all we can to keep our patients safe.
