

PATIENT & CAREGIVER EDUCATION

Knitting and Crocheting Circle for MSK Patients and Caregivers

Join us on Mondays for an interactive, fun filled Knitting and Crocheting Workshop. Whether you are a beginner learning the basics of knitting/crocheting, intermediate or an advanced knitter, this workshop will allow you to explore the joy of knitting and crocheting. You will learn new skills at any level, be able to work on your own projects, and get expert guidance and instructions from our program leaders.

This group is open to all adult patients and caregivers of patients receiving care at MSK.

Supplies needed: Yarn, knitting needles, or crochet hook

Program Leaders: Laurie Burns and Martha Thomases
