

PATIENT & CAREGIVER EDUCATION

Managing Your Blood Sugar after Allogeneic Stem Cell Transplant

This video explains what you can do to control your blood sugar after your allogeneic stem cell transplant.

Please visit

www.mskcc.org/pe/blood_sugar_allogeneic
to watch this video.

If you have any questions, contact a member of your healthcare team directly. If you're a patient at MSK and you need to reach a provider after 5:00 PM, during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
