

PATIENT & CAREGIVER EDUCATION

Managing Your Cholesterol after Allogeneic Stem Cell Transplant

This video explains what you can do to control your cholesterol after your allogeneic stem cell transplant.

Please visit www.mskcc.org/pe/cholesterol_allogeneic to watch this video.

If you have any questions, contact a member of your healthcare team directly. If you're a patient at MSK and you need to reach a provider after 5:00 PM, during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
