

PATIENT & CAREGIVER EDUCATION

Managing Your Pain with Pain Medications After Surgery

Please visit www.mskcc.org/pe/managing_pain_surgery to watch this video.

This video explains how to manage your pain with pain medications after your surgery or procedure.

If you have any questions, contact a member of your healthcare team directly. If you're a patient at MSK and you need to reach a provider after 5:00 PM, during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
