

PATIENT & CAREGIVER EDUCATION

Medications for Treatment of Osteoporosis

Video

This webcast explains what medications are available to treat osteoporosis and some of their side effects.

If you have any questions, contact a member of your healthcare team directly. If you're a patient at MSK and you need to reach a provider after 5:00 PM, during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
