

PATIENT & CAREGIVER EDUCATION

Ostomy Support Group for Patients with Colorectal Cancer

This is a live, online support and education group for people with an ostomy. It offers them the opportunity to discuss issues that may arise during and after treatment, to share their personal experiences, and to provide practical and emotional support for one another. This group is open to everyone.

Discussions are led by a social worker and a nurse.

The group meets every other month on the third Thursday of the month from 4:00–5:00 PM.

Audience

This group is for people undergoing treatment for colorectal cancer with an ostomy.
