

PATIENT & CAREGIVER EDUCATION

Outpatient Active Treatment Support Group for LGBTQ+ Patients and Caregivers

This is a live, online group for members of the LGBTQ+ community who are receiving care at MSK. In the group, we'll learn strategies for coping with cancer, share information and experiences, and express our thoughts and feelings. This group will give us the space to connect and support each other. We welcome people being treated for any type of cancer and their caregivers.

This group takes place the first Wednesday of each month from 4:00 p.m. to 5:00 pm.
